AUGUST 29-30 2009:::DAN SCHOEPF:::
a;slkdjf;askdjf -----get notes from Dan to place ehre.

How valuable is our attendance at weekend worship anyway? When is our Christianity really important? If our "Am-I-following-Jesus?" supervisor showed up for an hour of observation, what time of the week would give him the most information? In my personal experience I would conclude that two circumstances bring the greatest spikes in spiritual growth--serving others (contributing) and small groups (community). In fact I suggest those two parts of life are Biblical ways to measure if our faith really counts. They test our ability to put into practice what we hear. How are you doing?

WELCOME GUESTS:::We're glad you're here! Following the worship service, please stop by the Information Center in the Commons to learn more about Calvary. First-time visitors are invited to pick up a free Calvary music CD!
