"Benevolent." "Philanthropic." I like "generous" best. It is a quality that brings warmth, good feelings, a smile. It's a virtue!

I want to be known as generous. We gravitate toward generous people. (We hope they will be generous toward us!)

But how do we define and identify generosity? How do we measure it in our own lives?

Am I really generous?

**WELCOME GUESTS:::**We're glad you're here! Following the worship service, please stop by the Information Center in the Commons to learn more about Calvary. First-time visitors are invited to pick up a free Calvary music CD!
